\* La RFDB de Matadepera de l'any 2018 presenta canvis importants respecte de l'any anterior. Aquests canvis fan referència als guanys patrimonials que no es consideren com a part integrant de la renda als efectes de comptabilitat nacional (segons els criteris metodològics definits pel Sistema Europeu de Comptes (SEC-2010) i, per tant, no computen en el càlcul de la RFDB municipal; en canvi, els impostos pagats per aquesta renda sí s'han d'incloure i resten renda disponible del municipi. El resultat implica una minoració de la RFDB, fet insòlit quan s'avalua la sèrie històrica d'aquesta variable, i que té lloc per aquest motiu extraordinari.
